Re: Activation of Emergency  
Relocation Sites

Dear Mr. Dulles:

On March 17, the Office of Defense Mobilization advised departments and agencies, "In cases where relocation facilities are not Government-owned, each agency should consult the appropriate leasing authority for necessary contracts to cover the period of May 1 through June 17, inclusive. The costs incidental to this limited activation of relocation plans will be borne by the individual agencies concerned."

GSA has been designated by ODM as the agency responsible for space needs in connection with emergency relocation.

Please advise me as soon as possible what assistance GSA can render in connection with the test commencing May 1.

Cordially yours,

EDMUND F. MANSURE
